KAMALAME CAY
PRIVATE ISLAND RESORT & RESIDENCES

Pet Policy & Agreement

Some members of the family have four legs, and we are delighted to welcome them to the Cay.

To keep every stay relaxed and comfortable, for you, your dog, our homeowners and our other guests, we kindly ask that you read through the policy below and sign the agreement on the final page before you arrive.

Dogs Only

Dogs of all breeds are welcome at Kamalame Cay. Unfortunately, we are unable to accommodate any other animals on the island.

Where Your Dog May Stay

Dogs are welcome in our Kamalame Cay rooms and suites, and in all of our private villas except Rockhouse and Magnolia. At the request of their homeowners, no pets of any kind may stay in these two villas.

A maximum of two dogs may stay in each accommodation.

Before You Arrive

We love welcoming your furry companions to Kamalame Cay. Please let us know you are bringing your dog at the time of booking, so we can make sure your accommodation is the right fit.

- Dogs 20 lbs and under are welcome with at least one month's notice before arrival.
- Dogs over 20 lbs require approval from a Kamalame Cay director at least six weeks before arrival. This applies to our rooms and suites as well as our private villas. Your reservation will be confirmed once approval has been given.
- Pet cleaning fee: a flat, one-time fee of $150 to $300 per dog, plus applicable taxes, depending on your accommodation, will be charged at the time of booking. Additional charges may apply if specialised cleaning or repairs are required.

Travelling to The Bahamas

If your dog is travelling internationally, you are responsible for completing all forms required for entry into The Bahamas before you travel. This typically includes an import permit from the Bahamas Department of Agriculture, a veterinary health certificate, proof of rabies vaccination and a microchip. Dogs must be at least six months old, and certain breeds are not permitted entry.

As these requirements are set by the Government of The Bahamas and may change, we encourage you to confirm the latest details with the Department of Agriculture and your airline well ahead of travel.

What to Pack

We do not provide pet supplies on the Cay, so please bring everything your dog will need for the length of your stay, including:

- Food and water bowls
- Food and treats for the full stay
- Any medications
- A leash, bedding and any favourite comforts from home

Health and Safety

Please note that there are no veterinary services on the island. Kamalame Cay is not responsible for any injury or illness your dog may experience while on the property, so we ask that you keep a close eye on your companion throughout your stay.

Care of Our Homes

For their comfort and safety, dogs must not be left alone in your accommodation at any time.

Guests are fully responsible for their dog during their stay, including any damage caused to rooms, villas, furnishings or property. Any repairs or replacements will be charged to the guest.

Should Plans Change

If you make a reservation and later decide to bring an animal that is not permitted on the island, whether under this policy or under Bahamian entry requirements, no refund will be issued.
