THE ART OF INSPIRATION

Where inspired design is more than functional. The Alexander features more than 40 works of art all curated by the Indianapolis Museum of Art at Newfields. Our unprecedented 16 site-specific works have been commissioned for the hotel's public spaces.

THE NEW ALEXANDER

Worldly artisan and visionary architect, Alexander invites you to unlock your imagination and embrace a spirit of discovery in our namesake space: The Alexander. This season, we reimagine the hotel with refreshed spaces, modern sophistication, and an immersive artistic experience. Rooted in Midwestern culture yet inspired by global influences, the renewed environments—including versatile meeting venues, stylish dining areas, an inspiring art gallery, and a vibrant outdoor plaza—feature curated installations and artist collaborations. In spring 2026, The Alexander will join the Marriott Autograph Collection, unveiling a transformation that celebrates art, design, and connection in every detail.
