GUEST REVIEWS

Get Married Here!

I got married at Ivey Spencer June 11, 2022, and it was literally picture perfect. The grounds were perfectly manicured and maintained, the outdoor tent was grand and classic and the staff, on all levels, were truly fantastic. I truly cannot think of a negative thing to say about this beautiful venue. If you're considering it, I say you should go for it 100%!

Delicious Food and Beautiful Venue

We had a great experience planning our wedding reception at the Ivey Spencer Leadership Centre. The staff were easy to work with and very accommodating of all our needs and preferences. The venue layout was perfect - there's lots of space for people to move around and you don't feel confined to one crowded room. We were also very impressed with the quality of food at Ivey Spencer. We would definitely recommend Ivey Spencer for weddings.

GUEST REVIEWS

A dream come true!

We got married at Ivey Spencer Leadership Centre on Saturday, July 22, 2023 and I can't recommend it enough. We had a wonderful experience from planning to executing our wedding ceremony and reception. The venue was stunning and the staff provided excellent service. Our guests raved about the food and the grounds.

Good Food :)

I had my wedding at Ivey Spencer and they were great. The food was amazing, and the space was so large. We really enjoyed having 2 rooms to use so that people could mingle and dance depending on what they wanted.

I loved that we could have the ceremony outside, reception inside and have a hotel all in one place. It was amazing!
