

SOFF'S

THE LEGEND OF AVENTURA STARTS WITH A MAN AND A VISION

In 1967, Don Soffer sketched his dream for a community of high end residential houses on a simple cocktail napkin. Pen to paper, mind to matter, and out of 750 acres of mangrove swampland, the paradise of modern day Aventura was born. We raise our glass to the bold creators, and the little moments of genesis that can change the world as we know it. Feel free to ask your server for a pen.
