THANKSGIVING IN PARADISE

November 23-29, 2026

At Beach Enclave, the Thanksgiving holiday begins with your own luxury private villa and the space to gather exactly as your family likes — from chef-prepared meals at home to secluded days by the pool or on the beach.

From there, the week opens outward: dedicated yoga sessions across every property, three nights of festive Thanksgiving celebrations at Ámbra Beach Club & Restaurant, and dedicated wellness and sports offerings all week long.

However you gather this year, here's everything on the calendar for our Festive Week, from November 23 through 29.

FESTIVE CLASS SCHEDULE

Wednesday 25

Energizing Core & Stretch

A mat-based practice that blends gentle Pilates core work with deep lengthening stretches, designed to provide energy for the festive week ahead. The class starts slowly to wake up the spine and hips, then builds through controlled strengthening sequences for the core, glutes and back before winding down with a long cool-down stretch. You'll leave feeling lighter and reset for whatever the weekend brings. All levels welcome.

Thursday 26

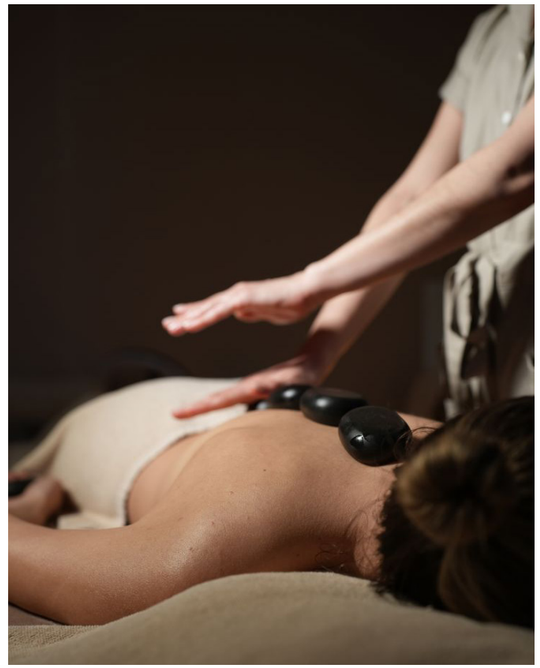

Gratitude Flow

Begin Thanksgiving Day with a traditional vinyasa practice, moving with the rhythm of the Caribbean tide. The flow builds gently from breath-led warm-up into steady, energizing standing and sun salutation sequences that wake up the body and open the chest, hips and shoulders. We close with a few quiet minutes of stillness and a short guided reflection on what you're grateful for, setting the tone for the day of celebration ahead. All levels welcome.

Friday 27

Harvest Restorative

A slower, floor-based Yin restorative practice to help you arrive and settle in. Supported by blankets, bolsters and blocks, you'll ease into a handful of long, gentle holds that let the body soften without effort. It's an unhurried reset for travel-weary legs, stiff shoulders, and busy mind. The practice ends with a guided relaxation so you leave calm, grounded and ready for the holiday ahead. All levels welcome.

FESTIVE WELLNESS SPECIALS

Golden Hour Hot Stone

The Day After

Castor Oil Pack + Reflexology | 90 min. | USD 390

This gentle reset ritual begins with a warm castor oil application to the abdomen, followed by soothing local steam to support digestion and ease heaviness. It continues with a reflexology treatment, where pressure on specific points of the feet and hands releases tension and restores a sense of lightness. Best enjoyed post-Thanksgiving feast.

Gather Together

Two Stress Release Massages (60 min each) + Child's Manicure or Pedicure | USD 500
