OVERVIEW

The Reserve at Grace Bay by Beach Enclave, the westerly neighbor to Beach Enclave Grace Bay, consists of only 3 ultra-luxury beachfront estate homes on nearly 5 acres.

The Reserve homes offer the best in privacy, security, dedicated amenities, managed services, and rental program by Beach Enclave along the most highly desirable stretch of sunset-facing Grace Bay beach.

The Reserve provides an unprecedented amenity and activity set for active and athletic families who desire year-round facilities at their doorstep.

The design, by world-acclaimed Jacobsen Arquitetura - arguably the founders of tropical modern design - provides expansive, modern living on Grace Bay beach.

The three Reserve estates follow a similar architectural language, each offering a one-of-a-kind custom design.

GETTING THERE

The Reserve at Grace Bay by Beach Enclave is located just 20 minutes from Providenciales International Airport (PLS), served by several major carriers including American Airlines, United, Delta, JetBlue, Southwest, Air Canada, British Airways and Virgin Atlantic.

THE VILLAS

Showcasing stunning examples of contemporary beach architecture, the 7,200 to 10,900 square feet villas at Beach Enclave Grace Bay blur the line between outdoor and indoor living. Each villa features an open living space.

Expansive sliding glass doors lead to private infinity-edge pools and jacuzzis, signature outdoor showers, and multiple terraces and decks for al fresco dining. Indoors, clean lines define spacious, modern living areas, open-layout kitchens, and ocean-facing primary suites.

Each of the three villas boasts the delightful addition of a rooftop terrace. These elevated outdoor spaces provide a perfect blend of luxury and comfort, offering a splendid vantage point to appreciate breathtaking views, bask in the warmth of the sun, or enjoy serene evenings under the open sky.
