01

WELCOME
TO CHERRY VALLEY

At Cherry Valley Hotel, we know exactly how important your wedding day is to you and your family. Our idyllic, pastoral setting in the Ohio countryside has been sought after as the perfect wedding location for almost 30 years. With our breathtaking atmosphere, wedding expertise, and the convenience of having all the wedding events in one location, we've helped create memories that have been celebrated for generations. It's no wonder that so often, we meet new brides and grooms whose mothers and fathers were married here themselves, and they want to create their own memories in the tradition of their parents' romantic story.

But what's even more important than the wedding day itself is the life you'll share from this day forward. When you let us help create your beautiful, inspiring wedding, you give yourself the freedom to slow down, the space to experience and enjoy your special day with the one you'll share it with.

Your wedding is the first exciting step you'll take - side-by-side - on your life's journey. Be present for it, and cherish the day that **begins your wonderful life together.**

@laurenleephoto

THIS IS YOUR STORY.
