SUMMER 2026 Q3

# FROM THE FAMILY

Dear Wine Club Members,

Summer has arrived in Los Olivos, bringing long days, warm evenings, and plenty of reasons to plan a trip to wine country. It's one of our favorite times of year at Epiphany, and we're excited to share this seasonal shipment with you.

This release features several wines that have become favorites not only for our family, but for many of our members as well. Our Rodney's Vineyard Grenache Blanc is the perfect companion for summer, offering bright citrus flavors and tons of freshness. It's a wine we find ourselves reaching for again and again throughout the season. The Rodney's Vineyard Grenache is another standout and one of the most popular wines in the Epiphany lineup. Elegant, expressive, and beautifully balanced, it continues to showcase why Grenache thrives in our corner of Santa Barbara County.

One wine in this shipment comes with a particularly fun backstory. While most of the wines we produce under the Epiphany label come from Rodney's Vineyard, our Colson Canyon Syrah offers a glimpse into another exceptional vineyard site. For years, we've shared a unique tradition with winemaker Joey Tensley where each harvest we trade one ton of Rodney's Vineyard Syrah for one ton of Syrah from Colson Canyon Vineyard.

We hope these wines find their way into memorable summer gatherings with family and friends. Thank you for your continued support of our wines and family business. We look forward to seeing you in Los Olivos sometime soon.

Sincerely,

*The Fess Parker Family*

## TASTING NOTES

A dark ruby in the glass, our 2023 Grenache is fruit-forward and aromatic with a crisp acidity. Dark fruit aromas of black raspberry, blackberry and black cherry steer the aromatics backed by baking spices, anise and lavender. We decided to blend this vintage with a touch of Syrah to add tannin and depth. On the palate, black cherry and blackberry preserve shine through rounded out by herbs de Provence, dark chocolate and vanilla.

Grenache's spice lends itself to be paired with spiced and herb-heavy dishes. Roasted meat and vegetables or a grilled tuna steak are natural choices along with many ethnic foods.

### TASTING NOTES

They say, “Syrah likes a view” because the best come from higher elevation vineyards with less soil, making the vines work harder, producing highly concentrated smaller grape clusters. Colson Canyon Vineyard fits the bill, with rocky soils overlooking the Santa Maria Valley’s eastern edge at a 1,400-foot elevation.

This is a big, bold red with loads of character. Layers of dark fruit aromas, violet, graphite and baking spices hit the nose right from the start. Dense and rich flavors of black plum, blackberry and dark chocolate combine with a hint of smoked meat coming through on the finish.

Pair the Colson Canyon Vineyard Syrah with bold foods. Try with a blue cheese burger, cassoulet or rosemary-crusting lamb tenderloin.
