WINERY & VINEYARD

February's Fireside Dinner with Chef Arturo of Firebrick Oven was a cozy, unforgettable night. We loved pairing treasured library wines with their current vintages and spending time with our Wine Club Members around the glow of the fire.

WINEREPORT

**Featured in the Winter/Spring 2026
Central Coast Report**

By Jeremy Young

**95 points –
Pinot Noir, Sanford & Benedict Vineyard
2023**

“...Dried rose and dried cranberry emerge on the back palate, adding lift and nuance. A remarkable energy from start to finish, its vibrant structure carrying the fruit through a long, finely detailed finish.”

**94 points –
Pinot Noir, Ashley’s, 2023**

“...The palate is notably fruit-forward, while moderate-plus acidity and sweet, fine-grained tannins frame the medium-bodied structure. Focused yet expressive, it carries its energy seamlessly.”

**94 points –
Pinot Noir, Pommard Clone, 2023**

“...Aromas of bright red raspberry, red plum, a touch of Christmas spice, while the palate turns floral with white rose, crushed blueberries, and hint of rhubarb. Medium-bodied with fine-grained tannins and elevated acidity, it carries vibrant energy and precision through a long, lifted finish.”

**93 points –
Chardonnay, Sanford & Benedict
Vineyard, 2024**

“...Aromas of lemon meringue pie, apricot flesh, yellow nectarine, raw hazelnuts, and dried lemony herbs unfold with depth and polish. A subtle touch of umami and crushed wet rock accents bright lemon zest and layered stone fruit, while ripping acidity energizes the medium-bodied frame and carries the wine through a long finish.”

**93 points –
Syrah, Rodney’s Vineyard, 2023**

“...opens with dark marionberry, olive brine, white pepper, and a flash of tangerine that adds aromatic lift. The wine balances savory complexity and vibrant fruit, carrying its energy through a polished finish.”

**92 points –
Riesling, Rodney’s Vineyard, 2024**

“...Dry in style and medium-bodied, the palate is driven by ripping acidity that provides precision and lift, carrying the citrus and stone fruit tones through a long, mouthwatering finish.”

**92 points –
Viognier, Rodney’s Vineyard, 2024**

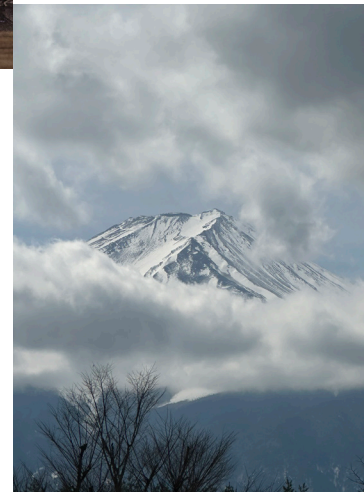

“...in older, neutral, large-format puncheons and displays a glowing lemon-straw core with green flecks at the rim, offering dried pineapple, yellow peach, apricot, dried dusty earth, and white flowers. Oily, rich, and full-bodied with ample texture, it’s balanced by moderate-plus acidity that carries the fruit through a persistent finish.”

**92 points –
The Big Easy, Santa Barbara County, 2021**

“...offering crushed blackberry, black licorice, toasted coconut, forest herbs, and a smooch of vanilla framed by a dark purple core and shining red-purple rim. Full-bodied with chalky tannins and moderate-plus acidity, it delivers balanced richness and structure, with oak-derived sweetness integrated into its ripe dark fruit profile.”

**91 points –
Chardonnay, Santa Barbara County, 2024**

“...Aromas of yellow peach, dried hazelnuts, and lemony herbs lead into a medium-bodied palate with good texture and moderate-plus acidity, finishing with notable energy and balance. Best Buy.”

WINE DIPLOMACY

Spring seems to have sprung a little early around here this year. No complaints though as the weather in March was gorgeous and we have already exceeded our average rainfall for the year.

I may have fibbed a little in the last newsletter when I said that we weren’t going to be traveling as much this winter. It’s true that we won’t be on the road as many days, but Tim

has more than made up for that in actual miles. We’re proud to share that he was asked to accompany SBC Vintners’ Association Executive Director, Alison Laslett, and several of our Santa Barbara County Supervisors, as a winery representative and member of a delegation traveling to Japan. The purpose of the trip was

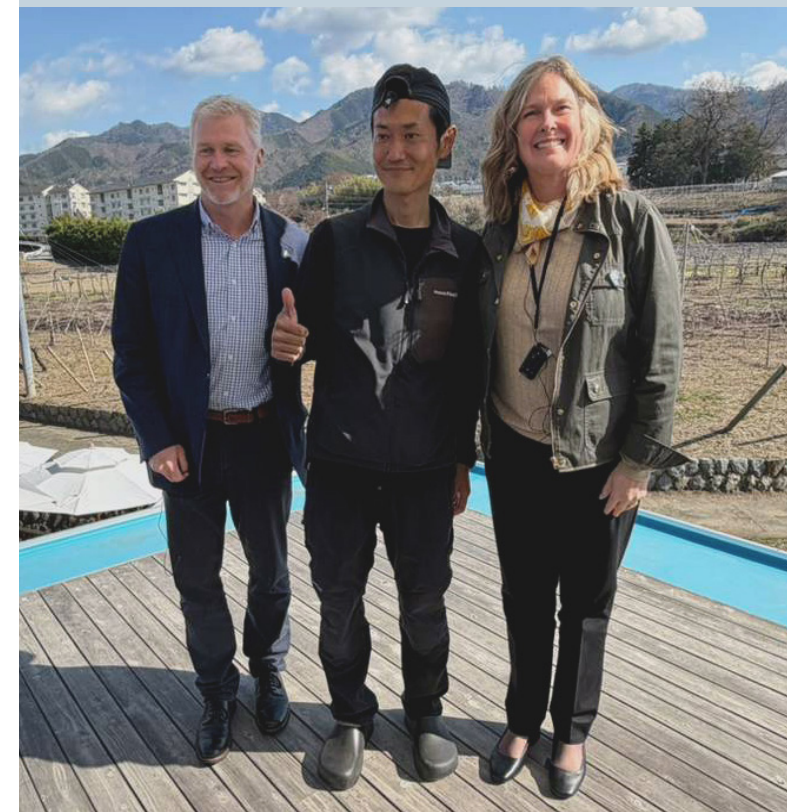

to establish a relationship between our county and the prefecture of Yamanashi, which is an agricultural and viticultural area in the foothills of Mount Fuji to the west of Tokyo. The main goal was to establish a formal relationship (think sister city), share agricultural and viticultural knowledge and discuss sustainable initiatives and eco-tourism. Eventually there will also be opportunities to explore joint marketing, wine education and culinary diplomacy as well. Well done Tim!

We look forward to seeing you at Release Day and the kickoff of WineStock in June!

Best,
Tim, Ashley & Eli

A winery visit to AdegA Vinicola D Arvga in the Yamanashi prefecture. The main grape is Koshu and there were some delicious examples the group was able to taste.

Tim Snider, AdegA Vinicola D Arvga’s Vineyard Manager – Sho Aruga and Alison Laslett during a winery tour.

Wow, it already feels like summer! What a weird winter we have had. We started with a wet fall, which led to an early, wet winter but then we had warm, spring-like days through most of January and February. A couple big storms blew through with generous amounts of rainfall but overall, it has been very mild. We are also looking at 90 degree days this next week with no spring rains in the forecast. This weather has been pretty confusing to the grape vines too, leading to early bud-break. We are hoping Mother Nature keeps the spring frosts away and we can head into summer with a good crop!

We have been extremely busy in the winery, bottling the 2025 Riesling's and rosés and getting ready to get an early jump on the 2025 Santa Barbara County Chardonnay which takes over a month to bottle! We have also been diligently, riddling and disgorging the 2023 Fesstivity sparkling wines and are currently preparing the Brut Rosé so it will be ready to be released for Mother's Day! 2023 Crockett is on the calendar to bottle before Release Day and is always a selection of the best Syrah and Petite Sirah barrels in the cellar. It is a rich, robust blend from Rodney's Vineyard and was aged in French oak barrels for over two years! I am very excited about these wines and hope you enjoy them!!

Looking forward to seeing you at Release Day,

Blair Fox

It's Rosé season... The most wonderful time of year!

Epiphany's 2025 Grenache Rosé now available.

Racking our Santa Barbara Chardonnay – the process of separating new wine from its sediment and moving it from barrel to tank in preparation to bottle.

Our Fessivity Brut Cuvée has now been labeled and crimping the foil is the final touch. Ready and waiting for your celebrations ahead!

Fessivity is a very hands on project. After months en tirage, riddling, adding dosage, the cork is placed.

Bottling our Rosés

Springtime means pruning, preparing the vineyard for a proper crop load throughout the growing season.
