Tea Offerings

Organic English Breakfast

This simple, China Black tea is reminiscent of the tea that the English drank regularly in the 1800s.

Full-to-medium bodied with hints of toast and honey, its strength lies in its simplicity as well as its affinity for milk and sugar.

Paris

Paris is a fruity black tea with vanilla and caramel flavors and a hint of lemony bergamot. The aroma is similar to Earl Grey, with black currant and vanilla aromas and a hint of caramel.

Earl Grey Supreme

A mixture of the finest teas blended with lemony oil of Bergamot for a clean, crisp finish.

A classic and memorable infusion.

Love Life Green

Sweet flavors of coconut, vanilla and the high notes of strawberry are juxtaposed with darker notes of puffed rice.

Organic Bangkok

The rich flavors of Bangkok, Thailand, are the inspiration for this tasty blend that combines green tea, lemongrass, vanilla, coconut, and ginger.

Egyptian Chamomile

A fragrant, relaxing herbal infusion with subtle notes of apple. Completely caffeine-free and wonderful with a touch of honey. Made from the bulbs of Egyptian Chamomile flowers.

Mint Verbena

A beautiful, refreshing caffeine-free blend of peppermint notes. It has a brisk and soothing finish, infused with hints of lemon.

Decaffeinated Ceylon

Our Decaf Ceylon, also known as Decaf Orange Pekoe, is a high-quality black tea. Although the caffeine was removed, the depth of flavor remains intact.
