LOOSE TEAS & HERBAL INFUSIONS

English Breakfast

This simple, China Black Tea is reminiscent of the tea that the English drank regularly in the 1800s. Full to medium bodied with hints of toast and honey, its strength lies in its simplicity as well as its affinity for milk and sugar.

Darjeeling Black

The 'Queen of Teas' - a blend of first flush and Autumnal teas from the finest tea gardens in the Himalayas. It has a light golden color and a fragrant 'nose' of bright citrus along with darker notes of stone apricots and plums.

Earl Grey Supreme

A mixture of the finest teas blended with lemony oil of Bergamot for a clean, crisp finish. A classic and memorable infusion.

Love Life Green

Sweet flavors of coconut, vanilla and the high notes of strawberry are juxtaposed with darker notes of puffed rice.

Jasmine

Fresh jasmine flowers are added to a base of pouching tea to create a delicate and fragrant brew.

Egyptian Chamomile

A fragrant, relaxing herbal infusion with subtle notes of apple. Completely caffeine-free and wonderful with a touch of honey. Made from the bulbs of Egyptian Chamomile flowers.

Mint

A beautiful, refreshing caffeine free blend of peppermint notes. It has a brisk and soothing finish, infused with hits of lemon.
