About Us

Husband and wife duo, Rita and Marcus, opened the doors to Columbia's award winning boutique hotel, Hotel Trundle, in 2018. After the pandemic they saw a shift in what their guests were looking for and decided to develop a collection of residence style accommodations, The Dens, where folks could enjoy the unique style of a boutique hotel, but also enjoy the flexibility and comfort of a private space with dedicated parking. They have carried their mission to "make your moments magical" for locals and out of towners with every detail and consideration throughout each space. Currently there are 4 rentals in the collection: The Honey Bee, The Cutie Pie, The Sweet Boy, and The Sugar Baby - all lovingly named after Rita & Marcus's two boys. We hope you enjoy your moments at The Sugar Baby, because they are precious and we know how fast time can pass us by!

The Sugar Baby

The Sugar Baby is as sweet as its name. This charming one-bedroom, one-bathroom brick cottage duplex can comfortably sleep four with one king bed and one pull-out sofa. It offers a full kitchen, living room, fenced-in & open-air gathering space with onsite parking, as well as walkable access to our favorite spots for sipping coffee, shopping local, and enjoying dinner and drinks.

This residence neighbors The Sweet Boy.
