IMPORTANT INFORMATION

Transparency is important to us throughout every stage of your wedding planning process. Below you'll find billing and payment information for weddings at Mission Point. Should you have any questions, please let your Wedding Sales Manager and Conference Services Manager know as they would be happy to discuss.

PRE-PAYMENT IS REQUIRED FOR ALL WEDDINGS AT MISSION POINT.

Payment of your projected master account is required 14 days prior to your arrival. Working with your Conference Services Manager, the couple will provide final food & beverage guarantees 21 days in advance of arrival. Within 1 business day of final guarantees, your Conference Services Manager will provide the couple with a breakdown of the estimated charges to include the balance that is due 14 days prior to arrival. Credit card payments may be submitted via the event payment link provided by your Conference Services Manager or via phone to the accounting department directly.

Should payment not be received 14 days prior to arrival, Mission Point does retain the option to terminate the contract and the couple will remain liable for amounts outlined in the projected Master Bill.

We understand that in some cases during post-event reconciliation, there may be additions or credits to the final account for the event. Any credits will be provided back to the couple and any outstanding balances will be charged to the credit card on file. Should the account not be satisfied within 30 days, it will accrue interest at 1.5% per month (18% per annum). If needed to secure payment, the couple has agreed to pay Mission Point all expenses incurred in attempting to collect the balance owed including, but not limited to, all legal expenses and attorney's fees.

WEDDING MANAGER ROLE & STAFFING

Your Wedding Sales Manager will assist you throughout the initial planning phase, including selecting your ceremony and reception venues, reviewing availability, and finalizing your contract. From the time of signing until you are introduced to your Conference Services Manager, your Wedding Sales Manager will continue to serve as your primary point of contact.

Once introduced, your Conference Services Manager will become your main point of contact for all event details and planning related to Mission Point, while your Wedding Sales Manager remains available as needed. Your Conference Services Manager will assist with menu planning, room diagrams, room blocks, and other planning details specific to the resort. Please note, the Conference Services Manager does not serve as a wedding planner. Their primary focus is ensuring event spaces are properly set and that all food and beverage service is executed seamlessly.

Your Conference Services Manager will be on site through the arrival of guests for the reception. A Banquet Manager or Supervisor will then be present throughout the reception to assist you and your guests and will remain on duty until the conclusion of the event.

Banquet staffing is scheduled based on your guaranteed guest count. Additional staffing may be requested at least 21 days in advance and is subject to an additional fee.

FARM-TO-FERRY DINING

Mission Point Resort is home to designed culinary adventures across our 18 acre property with a robust banquet program and unique dining options for all aspects of your wedding. Dining at Mission Point is a farm-to-ferry experience as our culinary team sources a variety of ingredients from local farms and purveyors.

We are often asked, “How does Mission Point get fresh produce?” Our location on an island in the Straits of Mackinac does present some unique logistical challenges in securing regular deliveries of goods and resources to the resort, which must be delivered either by ferry or flight before

a horse-drawn dray delivery. But with a lot of planning and communication between mainland farms, transportation providers and our culinary team, fresh produce, dairy, and other products make their way from farm to ferry and onto guests’ plates within a matter of days from being picked.

We invite you to review our Wedding Menu and select the food & beverage options that will best suit your needs. You and your family have a variety of choices from buffet options and plated pairings to late night snacks and morning brunches. Please let your Conference Services Manager know if you have any questions regarding menu options.

MEET THE TEAM

John Clements

Executive Chef John Clements joined the Mission Point Resort culinary team in August of 2021, jumping directly into the line to lend any hand he could while diving headfirst into an already booming Mackinac Island tourist season. He’s worked a number of other prominent positions over the course of his career, primarily in a country club setting. He brings a plethora of knowledge and experience in managing, maintaining, and growing multiple restaurants.

Michael Hart

Michael Hart is a seasoned food and beverage leader with expertise in multi-unit operations, team development, and guest satisfaction. With decades of experience, he has driven growth, streamlined operations, and led successful teams in diverse hospitality settings, including restaurants, event venues, and country clubs.

DESIGNED CULINARY ADVENTURES

Your Conference Services Manager and our Executive Chef will work with you to design a menu unique to your wedding. Menu selections are to be sent to your Conference Services Manager 45 days prior to your wedding date. We do require a guarantee of the number of persons attending all food and beverage functions at least 21 days prior to your function. If no guarantee is received, MPR will use the number of guests contracted as your guarantee and charges will either reflect the actual number served or the guarantee, whichever is greater. Please contact your Conference Services Manager with any questions on counts, guarantees and menu selections.

Mission Point does not allow any outside food and beverage. However, outside cakes are allowed for a \$2.50 per slice cutting fee. All delivery and set-up charges will be negotiated through your vendor by you. Mission Point does NOT assume responsibility for the delivery of outside cakes.

The hotel reserves the right to cease service of alcoholic beverages in the event that persons under the state mandated age limit are present at the function and attempt to receive service of alcoholic beverages. The Hotel further reserves the right to deny alcoholic beverage service to guests who appear to be intoxicated.

WEDDING TASTINGS

Your menu tasting will serve as a planning session between you and your Conference Services Manager and is the best opportunity to ask detailed questions of our culinary team. While you are sampling the menu, you will also be going through and making decisions on key aspects of your upcoming wedding!

Complimentary menu tastings for up to four (4) guests are available for wedding receptions expecting 100 guests or more. For wedding receptions with under 100 expected guests, a fee of \$25.00/person plus a 22% service charge and the current Michigan State sales tax will be charged. Your Conference Services Manager and a lead server from our excellent banquet staff will administer the private tasting.

The following guidelines will help you in preparation for the tasting:

- We do require at least 3 weeks' notice to prepare for your tasting.
- Tastings take place in May and October, Sunday-Thursday, pending availability. Tastings are unavailable on Fridays, Saturdays and over Memorial Day weekend.
- Your tasting is limited to four (4) attendees plus your Conference Services Manager. Additional attendees beyond the four specified will be charged \$25/per person plus 22% service charge and the current Michigan State sales tax.
- Please select the following items from our Wedding Menu to sample:
 - Two Salads
 - Two Entrées

BEYOND YOUR WEDDING FUNCTION

For meals beyond banquet functions, Mission Point serves meals at multiple restaurant outlets from elevated culinary experiences to grab-and-go picnics.

Chianti is a destination for foodies and wine lovers. You won't find a culinary adventure like Chianti on Mackinac Island or Northern Michigan. Every detail on our farm-to-ferry menu matters—from the wine picked exclusively for Mission Point to our seasonal sampling of the region's bounty.

Reservations suggested; serves dinner only.

With our Michigan twist on classic comfort foods, **Round Island Kitchen** is where families, friends, and couples gather to round out their Mackinac Island experience. When families visit the heart of Mission Point, they leave feeling more connected to the island than before.

Serves breakfast, lunch & dinner.

BISTRO
ON THE GREENS

Bistro on the Greens embodies the liveliness of island living. Best known for our craft cocktails and Mediterranean menu, we've exchanged the Mediterranean's crystal waters for the beautiful backdrop of the Straits of Mackinac. Bistro on the Greens is open seasonally from late May to early September.

Serves lunch & dinner.

Adirondacks Pizza - Pizza With a View - Handcrafted, delicious pizzas made fresh and served just steps from the sparkling shoreline of Lake Huron. Pick up your pie and enjoy it on Mission Point's iconic Great Lawn - the perfect place to kick back, take in the lake views, and savor every bite.

OUR RESORT HISTORY

The Mission district of Mackinac Island has deep roots in hospitality and the concept of bringing people together to learn and grow.

In the early 1820's, Reverend William Ferry, a Protestant missionary, used this area to house and teach Native American children. He also established Mission Church, which was one of the first protestant churches in the Midwest. The southeast end of Mackinac Island thus became known as Mission Point.

During the 1940's, an organization called the Moral Re-Armament (MRA) was looking for a world headquarters and became involved on the island upon the invitation of the Governor of Michigan at the time. The MRA was a multi-national group who promoted the philosophy of love, unselfishness, purity and honesty in a worldwide evangelistic campaign. They settled on Mackinac Island and groundbreaking ceremonies began in 1954.

Construction on what are now called the Main Lodge and Straits Lodge began in the fall of 1955 with fifty-foot trusses of Norway White Pine from nearby Bois Blanc Island supporting the roof and 45 tons of native stone forming the original building. The Main Lobby's rotunda-style architecture remains one of the most distinctive structures on the island to this day—nine majestic trusses converge at the height of 51 feet and resemble a 16-sided teepee. This structure fulfils the prophecy that says:

Someday on the east side of the island a great teepee will be erected. All nations will come there and learn about peace.

A movie production Sound Stage was constructed in 1958 and at the time was the second largest of its type in the world; the MRA used this space to produce movies and short films. In 1966, the MRA relocated their operation to Switzerland and deeded much of the property to an organization known as Mackinac College. This education institute operated for four years, graduated one class and then closed in 1970.

Throughout the 1970's and 80's, the Mission Point property changed hands a few times and during this era, was established as a hotel resort. One of the most notable events at Mission Point occurred in 1979, when Universal Studios leased the Sound Stage mentioned earlier to produce the movie "Somewhere in Time" starring Christopher Reeve and Jayne Seymour. Most of the sets were built and utilized in the Sound Stage and the production team used the Theater for filming. The entire cast and crew were hosted at Mission Point, which was at that time was called the Inn on Mackinac.

Behind the scenes of the movie, *Somewhere in Time*

In 1987, Detroit businessman John Shufelt purchased the property and gave it the official name of Mission Point Resort, paying homage to our historical location. Through the Shufelts' ownership, Mission Point gained the reputation as the "friendly and casual" hotel and resort option on Mackinac Island.

The current chapter of Mission Point Resort's history book began in 2014, when Dennert and Suzanne Ware purchased the property; they had an immediate plan of multi-million-dollar upgrades while also preserving the important historical nature of the hotel. Since their ownership, Mission Point has added Lakeside Spa & Salon, renovated all 243 guest rooms & suites, refurbished the Conference Center, built the Promenade Deck outdoor pavilion event space and done many more behind-the-scenes improvements to infrastructure, fire safety and overall guest experience. The goal of Mission Point is to provide extraordinary Mackinac Island experiences and with the investments that the Ware family has made, the hotel has seen continued success. With three generations involved in the hotel's operation, the Ware family is celebrating 10 Years of ownership in 2024!
