## Ocean Hotels Launches Proposal Concierge Service To Pop The Question In Style

The festive period brings the perfect time for proposals, and where better to pop the question than the sunny shores of Barbados?

Picture this... you're on the most magical romantic trip to Barbados with sugary sand between your toes and the cerulean waves lapping as you stroll along the coastline with your true love, it is the perfect proposal spot but you don't know where to get started. That's where Ocean Hotels come in...

Ocean Hotels' two luxury boutique all-inclusive resorts on the South Coast of Barbados – the five-star **O2 Beach Club & Spa** and the 4.5 star all-inclusive **Sea Breeze Beach House** - have each launched a bespoke '**Proposal Concierge**' service designed to help couples plan the perfect proposal that they will cherish forever.

From romantic locations such as a private dinner for two on the white-sand beach, a hidden spot with champagne for the best sunset viewing or the resort's Bubble On The Beach experience, the new service can create virtually any unique experience, enabling guests to plan the perfect proposal.

Special touches include a customised dessert surprise, a solo violinist to accompany the moment, or a hidden personal photographer to capture the happy event to remember forever and share with friends and family back home.

The proposals concierge teams work one-to-one with the proposer to understand their exact needs and preferences so as to create a truly romantic and memorable engagement.

Additionally, beyond on-property arrangements, the discreet Proposal Concierge team at O2 Beach Club & Spa has partnered with local jewellery company, **Diamonds International Barbados**, to provide guests with special access and a **20% discount to their Exclusive Crown of Light & DI Diamond Jewelry**, as well as personalised shopping support, virtual or in-person, to assist in choosing the perfect ring.

Plus, any guests proposing at O2 Beach Club & Spa during their stay will receive **one free night** towards their next stay. Proposal Concierge services are complimentary for guests (however, extras, like a photographer and private dinner setup are offered at additional costs).
