# WALLACE NEFF

HERITAGE BAR

EST. 1923

---

---

Wallace Neff was an architect based in Southern California and was largely responsible for developing the region's distinct architectural style referred to as "California" style. Neff was a student of architect Ralph Adams Cram and drew heavily from the architectural styles of both Spain and the Mediterranean as a whole, gaining extensive recognition from the number of celebrity commissions. The Wallace Neff Heritage Bar is a nod to the history of this venue and bears the name of the man whose work still lives at the Inn today.
