
WALLACE NEFF

HERITAGE BAR

EST. 1923

Wallace Neff was an architect based in Southern California and was largely responsible for developing the region's distinct architectural style referred to as "California" style. Neff was a student of architect Ralph Adams Cram and drew heavily from the architectural styles of both Spain and the Mediterranean as a whole, gaining extensive recognition from the number of celebrity commissions. The Wallace Neff Heritage Bar is a nod to the history of this venue and bears the name of the man whose work still lives at the Inn today.
