FOR IMMEDIATE RELEASE

**Cambria Hotel Louisville Downtown-Whiskey Row Secures Top Honors at the 2023 USGBC South Central Region Community Leadership Awards**

LOUISVILLE, KY - November 3, 2023 - Cambria Hotel Louisville Downtown-Whiskey Row is thrilled to announce that it has been honored with a prestigious accolade at the 2023 USGBC South Central Region Community Leadership Awards. These awards, hosted by the United States Green Building Council (USGBC), celebrate excellence in green building and recognize the outstanding

contributions of projects, individuals, and partners that aim to enhance their local communities by creating better buildings and improving the quality of life for all.

Cambria Hotel Louisville Downtown-Whiskey Row was recognized as the recipient of the 2023 project award for its outstanding commitment to sustainable building practices. This award distinguishes the hotel as a leader in the green building community within the South Central region, encompassing states such as Kentucky, Tennessee, Alabama, Mississippi, Louisiana, Oklahoma, and Arkansas.

The hotel's achievement is a testament to its commitment to environmental responsibility and sustainable practices. As a LEED Silver-certified property, it has consistently demonstrated leadership in the area of sustainable construction, design, and operation. This recognition underscores Cambria Hotel Louisville Downtown-Whiskey Row's dedication to making a positive impact on its local community and the environment at large.

The 2023 project award finalists included a distinguished group of nominees, representing excellence in green building across diverse markets in the South Central region. Cambria Hotel Louisville Downtown-Whiskey Row stood out among its peers, showcasing a commitment to environmental stewardship that aligns with the USGBC's mission of creating a more sustainable and equitable future.

Cambria Hotel Louisville Downtown-Whiskey Row is owned and managed by O'Reilly Hospitality Management, LLC. Tim O'Reilly, CEO, expressed gratitude for this prestigious award, stating, "We are honored to receive the 2023 project award from the USGBC and believe that by taking the lead in green building, we can contribute to a better, more sustainable future for our community and our planet Earth."
