

*A Journey to Serenity and
Ancestral Teachings*

ARMONIA
SPA

In a secluded corner where the sea whispers ancient secrets and the desert holds the stories of a forgotten village, **Armonía Pacífica** is born. This sanctuary is not just a spa; it is a journey to the roots of Baja California Sur, to the essence of the Pericúes, the ancestral tribe that once inhabited these lands. Each treatment is a page in the history of this sacred place, where ancestral wisdom intertwines with contemporary luxury to nurture body and soul.

Welcome to **Armonía Pacífica**, a refuge where the elements of nature—earth, water, air, and fire—fuse in harmony to renew your spirit and reconnect with the essential. Here, the echoes of the past resonate in the present, offering you a journey that will transform your being and awaken your connection to the vast and mysterious energy of Baja California.

Rituals

In the rituals of **Armonía Pacífica**, the body becomes a canvas where ancestral traditions are drawn. Each of our rituals is a ceremony that celebrates the union of the body with natural elements, invoking the healing energy of the earth, water, and sacred plants of the region. These rituals not only revitalize the body but also balance the mind and soul, guiding you towards a state of inner peace.

Journey of the Ancestral Guardians

Find peace in the wisdom of the ancient guardians

— 110 Min —

At the sacred crossroads where the desert of Los Cabos meets the waters of the Pacific and the Sea of Cortez, the Journey of the Ancestral Guardians invites you on a healing journey inspired by the Pericúes, protectors of this mystical land. This ritual begins with a sacred cleansing of rosemary and basil, followed by an exfoliation with Dead Sea salts and sage, renewing both skin and spirit. Next, a warm herbal infusion cocoons the body while a cranial massage with shea butter balms dissipates tension. Finally, a body balm and Damiana tea seal this encounter with ancestral essence, restoring balance and serenity to your being.

Benefits

Purifies and renews the skin, deeply relaxes body and mind.

Pre-Hispanic Ritual

— 100 Min —

The Pre-Hispanic Ritual is a journey to the heart of an ancestral temazcal, recreated in the intimacy of our spa cabin. Here, the sacred mist of copal purifies the air and awakens the memory of ancient healing ceremonies. The skin, like fertile soil, is prepared with a deep exfoliation using natural oils that cleanse impurities and renew each cell. A mask rich in nourishing ingredients embraces the body, while an herbal balm massage completes this journey, balancing energy and restoring the connection between body and spirit. This ritual is a tribute to pre-Hispanic traditions that teach us to find harmony and rebirth in the deepest parts of our being.

Benefits

Purifies and renews the skin, restores energy and inner balance, deeply connects with ancestral healing traditions.

Citrus Radiance of the Desert

Renew yourself with the vital energy of the desert

— 110 min —

The Citrus Radiance of the Desert surrounds you with the radiant vitality of the Baja California sun. This ritual begins with an exfoliation that illuminates and renews the skin, followed by a vitamin C soufflé mask that deeply nourishes. As your body revels in this citrus freshness, a vitamin C facial awakens your face, filling it with life and youth. The experience culminates with the application of dry oil and serum that seal the radiance in your skin, connecting you with the purity of the desert and the energy of the ocean.

Benefits

Revitalizes and rejuvenates the skin, illuminates and improves elasticity, deeply hydrates.

Body Treatments

The body becomes a sanctuary where the desert and the ocean meet to renew and heal. Each treatment is a ritual, inspired by the ancestral wisdom of the Pericúes and the elements surrounding this paradise: the burning sun, the deep waters, and the fertile land. Here, the skin is purified, the body revitalized, and the spirit elevated, deeply connecting with the essence of Baja California. Each touch is an offering to nature, and each ingredient a caress that harmonizes the being with the sacred environment that surrounds us.

Solar Glow

Let the light of the desert illuminate your skin

— 80 min —

The Solar Glow of the Desert is a tribute to the vitality of the land that nurtures Baja California, beginning with a vitamin C exfoliation that illuminates the skin as it is removed with soft, damp towels. Then, a soufflé mask wraps your body, infusing each cell with freshness. The ritual continues with a facial that revitalizes and firms the face, completed by the application of dry oil and cream, sealing a lasting radiance that connects you with the vibrant energy of the desert.

Benefits

Illuminates and revitalizes the skin, firms and rejuvenates, provides deep hydration.

Cacao and Coffee Caress

Awaken the essence of the earth on your skin

— 80 min —

Immerse yourself in a warm embrace where coffee and cacao, treasures born of the earth, come together to revitalize every corner of your skin. A deep exfoliation awakens the senses, releasing trapped energy while preparing the body to receive a cacao and chocolate mask that embraces your being in a caress of rich nutrition. As the aroma intoxicates and the mind relaxes with a gentle cranial massage, the body absorbs the pure essence of the earth. The treatment culminates with the choice of cacao and pitaya cream or cacao and mint, leaving your skin soft, radiant, and full of life, harmonizing your soul with a cocoa, lemon balm and damiana tea that you receive to continue immersed in this infinite caress.

Benefits

Purifies and energizes the skin, deeply nourishes, revitalizes and softens.

Diamond Veil

Wrap your skin in a silky glow.

— 50 min —

The Diamond Veil is an experience that elevates exfoliation to a sublime level, inspired by the purity and strength of natural elements. Sea salt crystals, rice powder, and grape seed combine with a personalized dry oil to gently remove impurities and reveal radiant skin. After exfoliation, you will be enveloped in a cocoon of nourishment, where a hydrating and luminous veil covers your body, leaving the skin renewed and glowing. The final touch is a cream rich in tamanu oil, rice water, and organic aloe vera, sealing this luxurious caress on your skin.

Benefits

Gently exfoliates, deeply hydrates and nourishes, leaves skin luminous and soft.

Lavender and White Tea Serenity

Find serenity in the softness of lavender

— 50 min —

This treatment is a delicate homage to purity and tranquility, fusing the freshness of lavender with the serenity of white tea. The ritual begins with a gentle exfoliation using lavender water, sesame oil, and red spruce extracts that purify the skin while calming the senses. To finish, a cream enriched with lavender and essential oils is applied, wrapping your body in a calming softness, leaving the skin revitalized and at peace.

Benefits

Gently exfoliates and purifies, calms the senses, leaves skin soft and revitalized.

Facials

Each facial treatment in our sanctuary is a ritual dedicated to revealing the beauty that lies in serenity and deep connection with nature. Inspired by the ancestral wisdom of the Pericúes and the purity of the elements surrounding Baja California, our facials are a caress for the soul and face. Here, ingredients are blended with the delicacy of ancient rituals, offering a rebirth for the skin, a radiance that emerges from within. Every touch, every essence, is an invitation to rediscover the luminosity that resides in you, in perfect harmony with the earth and sea that surround us.
