

*A Journey to Serenity and
Ancestral Teachings*

ARMONIA
SPA

In a secluded corner where the sea whispers ancient secrets and the desert holds the stories of a forgotten village, **Armonía Pacífica** is born. This sanctuary is not just a spa; it is a journey to the roots of Baja California Sur, to the essence of the Pericúes, the ancestral tribe that once inhabited these lands. Each treatment is a page in the history of this sacred place, where ancestral wisdom intertwines with contemporary luxury to nurture body and soul.

Welcome to **Armonía Pacífica**, a refuge where the elements of nature—earth, water, air, and fire—fuse in harmony to renew your spirit and reconnect with the essential. Here, the echoes of the past resonate in the present, offering you a journey that will transform your being and awaken your connection to the vast and mysterious energy of Baja California.

Rituals

In the rituals of **Armonía Pacífica**, the body becomes a canvas where ancestral traditions are drawn. Each of our rituals is a ceremony that celebrates the union of the body with natural elements, invoking the healing energy of the earth, water, and sacred plants of the region. These rituals not only revitalize the body but also balance the mind and soul, guiding you towards a state of inner peace.

Ancestral Ritual

Indulge peace through the wisdom of ancient civilizations

— 110 Min —

Inspired by the greatness of mother earth and the power of the sea, this ritual purifies and detoxifies the body, starting with a body exfoliation of agave, followed by a volcanic clay mask and herbal infusion. Enjoy a Lomi Lomi massage at the waves of the sea, ending with a moisturizing facial.

Benefits

Renews skin, releases toxins, reduces anxiety and stress

Citrus Supreme Ritual

Revitalize your skin with the energy of citrus fruits

— 110 Min —

Intense moisturizing and firming ritual for the body and face. This revitalizing ritual begins with a tangerine-formulated exfoliating wrapper followed by a citric soufflé body mask providing deep hydration. The treatment is completed with the application of a luxury body cream vitamin C+C giving the skin a bright and radiant appearance.

Benefits

Nourishes and brightens the skin with the antioxidant powers of vitamin C+C, ideal perfect tan.

Pre-hispanic Ritual

Detoxify and Regitalize your Self

— 100 min —

Inspired by the Temazcal ceremony, this ritual uses copal, herbs and essential oils in warm healing compresses, followed by a lymphatic drainage massage with arnica butter. Includes organic facial and hot towel ritual.

Benefits

Detoxifies your body and connects your mind to your body.

Body Treatments

The body becomes a sanctuary where the desert and the ocean meet to renew and heal. Each treatment is a ritual, inspired by the ancestral wisdom of the Pericúes and the elements surrounding this paradise: the burning sun, the deep waters, and the fertile land. Here, the skin is purified, the body revitalized, and the spirit elevated, deeply connecting with the essence of Baja California. Each touch is an offering to nature, and each ingredient a caress that harmonizes the being with the sacred environment that surrounds us.

Citrus supreme

Let the desert light brighten your skin.

— 80 min —

Revitalizes - nourishes - reaffirms moisturizes your skin with an intense hydrating and firming body treatment, starting with an exfoliating envelope formulated with tangerine followed by a citrus soufflé body mask providing deep hydration. The treatment is completed with the application of a luxury body cream vitamin c + c giving the skin a bright and radiant appearance.

Benefits

Antioxidant

Awaken the essence of earth in your skin.

— 80 min —

Comprehensive antioxidant treatment, designed for skin renewal and circulation stimulation. Combines a seasonal exfoliation, followed by an organic wrapping of volcanic clay, rich in detoxifying ingredients. The result is deeply remineralized skin, visibly firmer tissue and powerful antioxidant protection against premature aging. We finished with a peach with a moisturizing butter.

Benefits

Purifies and energizes the skin, deeply nourishes, revitalizes and softens.

Lavender & White Tea Body Scrub

Finds serenity in the softness of lavender.

— 50 min —

This treatment is a delicate tribute to purity and tranquility, blending the freshness of lavender with the antioxidant properties of white tea. Begins with a full body exfoliation and seals your pores a cream enriched with lavender, which wraps your body in a soothing softness, leaving the skin velvety and in harmony

Benefits

Exfoliates and gently purifies, calms the senses and leaves your mind in deep calm.

Facials

Each facial treatment in our sanctuary is a ritual dedicated to revealing the beauty that lies in serenity and deep connection with nature. Inspired by the ancestral wisdom of the Pericúes and the purity of the elements surrounding Baja California, our facials are a caress for the soul and face. Here, ingredients are blended with the delicacy of ancient rituals, offering a rebirth for the skin, a radiance that emerges from within. Every touch, every essence, is an invitation to rediscover the luminosity that resides in you, in perfect harmony with the earth and sea that surround us.

Diamond Life Infusion

Elixir of sophistication and absolute rejuvenation

— 80 min —

This sophisticated luxury facial fuses advanced technology to transform the skin from the first application, designed to smooth expression lines and firm the contours of the face, this anti-treatmentage deeply nourishes and restores luminosity to the face with incomparable elegance, stimulates microcirculation with the powers of a mask based on pearl powder.

Benefits

Rejuvenating treatment with lifting effect.

The 3D collagen facial

Triple firmness, triple elasticity

— 80 min —

Powerful rejuvenating and regenerating treatment based on a clever combination of three types of collagen, aimed at increasing the skin's firmness in extraordinary ways. With a surprising lifting and redensifying effect, it rebuilds the facial oval, improves skin density and preserves optimal hydration.

Benefits

Stimulates the production of collagen, with a lasting and luminous effect.

This ritual begins with a deep cleansing and exfoliation that purifies the skin, followed by a concentrated application of vitamin c that stimulates collagen production, renewing the firmness and elasticity of your skin.

Benefits

Combat the signs of premature aging with the antioxidant powers of vitamin c+c.

Oxygenating Facial

*Detoxify your skin, renew your spirit
— 50 min —*

Reawaken your skin with the revitalizing energy of pure oxygen, this incredible facial purifies, brightens and balances the dull complexion, providing an extra dose of oxygen thanks to the benefits of hydrogen peroxide. This treatment begins with a deep cleansing that decongests the skin, followed by an exfoliation that promotes cell regeneration and an oxygenating mask renewing and brightening the face.

Benefits

Detoxifies and eliminates free radicals, deeply cleanses the pores of the face.

Massages

The massages in our sanctuary invite you to embark on a deep journey where the ancient wisdom of the Pericúes merges with the pure energy of the earth, sea, and desert. Each treatment is a passage to serenity, where touch transforms into a sacred art that releases tension and renews the spirit, evoking the precision and balance of the Pericúes' atlatl. Here, time dissolves, allowing body and mind to find their natural harmony, guided by the strength of the elements and the tradition of the ancient guardians of this sacred land.

Customized Massage

Choose how you want to feel

— 50/80 min —

We understand that each person is unique, connect with your inner self and choose the perfect massage for you. Select based on how you want to feel and the results you want to achieve:

Swedish

Enjoy a deeply relaxing massage that combines gentle, rhythmic movements to release tension, relieve stress, and revitalize body and mind. This massage uses gliding and kneading techniques to stimulate circulation and improve muscle elasticity while promoting deep relaxation and restful sleep.

Deep tissue

This massage works on the deeper layers of muscles and connective tissue, using slow movements and medium to firm pressure to release tension and chronic fatigue.

Quiro-sports

This high-intensity treatment focuses on relieving muscle pain, reducing fatigue, and improving mobility through deep pressure techniques and specialized stretching. Combining pressure points and forearm movements, this massage penetrates deep into the muscle layers, releasing tension and promoting faster recovery.

Ideal for those looking to enhance physical performance and prevent or treat injuries, the massage is complemented by gentle stretches that increase flexibility, leaving your body revitalized, stronger, and ready for any challenge.

Maximum stress relief

Our massage is designed with a combination of therapeutic techniques that provide relaxation, directly customizing the discomfort prone to daily stress.

Available selection:

- Back, neck and foot massage - 50 minutes
- Cranial and foot massage - 50 minutes
- Leg and foot massage - 50 minutes

Therapeutic hot stone

A wonderfully relaxing treatment that includes a variety of massage techniques combined with the healing properties of hot stones to relax, relieve tension, stimulate circulation, calm and harmonize body and mind. This massage is designed to enter a deep state of relaxation.

Four-handed

A completely harmonizing experience, two therapists work in perfect synchronization, applying a fusion of techniques that bring a sense of well-being, and feel pampered with this experience.

Shiroabhyanga

This is a classic and ancient indian ayurveda ritual that balances and connects the energy channels. Applying a gentle but stimulating cranial massage to the rhythm of essential oil drops to awaken intuition and chakra harmonization. This relaxing therapy will leave you in harmony and emotional peace.

Luxury massage with vitamin C+C

Recharge your skin's vitality with this protocol based on the benefits of vitamin c. Enjoy a powerful infusion of antioxidant properties in a truly sensory treatment and immerse yourself in a wonderful citrus environment.

Expectant mother

This massage is designed to provide maximum comfort and relaxation for expectant mothers, focusing on relieving tension in the back, legs, improving circulation, and reducing swelling. Inspired by the deep connection between mother and baby, this treatment is a tribute to care and protection, nurturing both body and soul during this special stage of life.
