PUEBLO BONITO VANTAGE SAN MIGUEL DE ALLENDE OFFERS A FRONT-ROW SEAT TO MEXICO'S WINE HARVEST SEASON

*Spectacular new hotel offers travelers a luxury home base for vendimias
in Travel + Leisure's No. 1 City in the World*

SAN MIGUEL DE ALLENDE, Mexico (July 23, 2026) – San Miguel de Allende's late-summer wine harvest season is giving travelers a timely reason to visit one of the world's most celebrated destinations. The recently opened Pueblo Bonito Vantage San Miguel de Allende offers an ideal home base for experiencing the region's vendimias, or grape harvest festivals, held at nearby wineries from late August through early October.

As seasonal celebrations arrive, San Miguel de Allende continues to shine on the global stage. The colonial city in Mexico's central highlands was named the No. 1 City in the World by *Travel + Leisure* readers in the 2026 World's Best Awards, marking the third consecutive year it has earned the top ranking.

Set above the city with sweeping views of San Miguel's historic skyline, Pueblo Bonito Vantage San Miguel de Allende places guests near the destination's celebrated restaurants, galleries, boutiques, and cultural landmarks, while also providing convenient access to the surrounding wine country. The hotel is designed for travelers who want to pair the city's energy with the slower rhythm of vineyard visits, outdoor dining, and harvest-season traditions.

The vendimia season is one of the most festive times to explore Guanajuato's growing wine region. Guests can spend the day touring vineyards, sampling local wines, enjoying chef-driven meals, listening to live music, and, at select wineries, taking part in the traditional pisado de uvas, or grape stomping. After a day in the countryside, Pueblo Bonito Vantage offers a refined retreat for relaxing over dinner, taking in San Miguel's illuminated rooftops and church spires.

The vineyards surrounding San Miguel de Allende have become one of Mexico's most appealing wine destinations, with scenic estates set among rolling hills, lavender fields, olive groves, and mountain vistas. While each winery has its own personality, the harvest season brings them together for a series of celebrations that showcase local wines, regional cuisine, and the traditions of the Mexican countryside.

Among this season's vendimia highlights are found at several nearby [vineyards](#). Vantage hosts are available to make visit arrangements for hotel guests.

Whether travelers come for a single harvest celebration or build an entire wine-country getaway around the season, [Pueblo Bonito Vantage San Miguel de Allende](#) offers a sophisticated base in the heart of one of Mexico's most beloved destinations. With the city once again ranked among the world's best and the surrounding vineyards in full celebration, late summer and early fall offer an especially compelling time to visit San Miguel de Allende.
