

PUEBLO BONITO
BEYOND HOSPITALITY

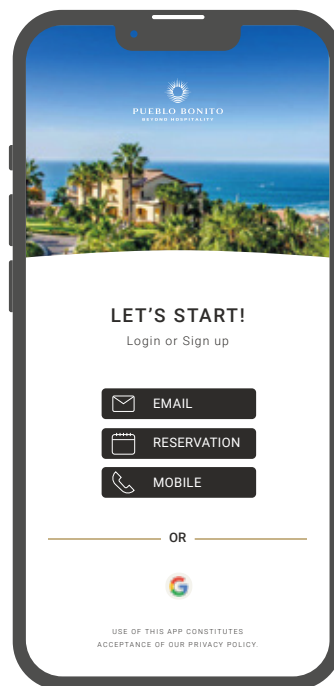

REGISTRATION PROCESS

REGISTRATION PROCESS

01 On the main page, choose one of the registration options:

- **Phone**
Register using your phone number.
- **Email**
Use the same email address you have on your reservation or contract.
- **Reservation**
You will be able to register with your reservation or room number.
- **Social media**
It will automatically collect the information from the chosen platform.

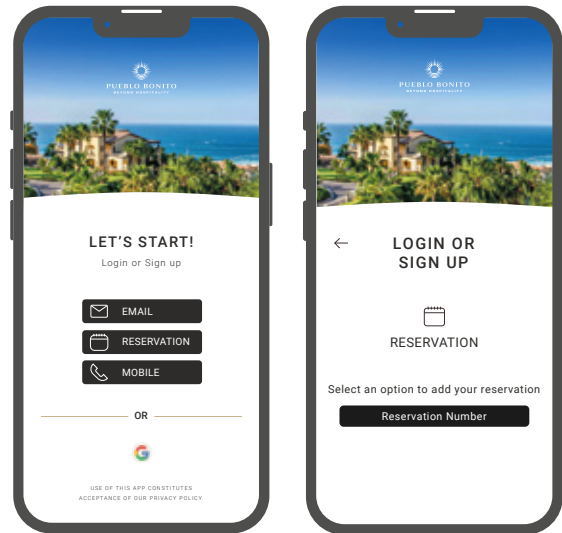

02 Complete the missing information or edit if necessary, create a password and tap Accept.

- Select the Explore button, and your registration will be confirmed; you can now navigate the app.
- If you are a Pueblo Bonito owner, you will see the contracts registered under the submitted information.

FOLLOW THE STEPS BELOW TO REGISTER WITH A RESERVATION

- 01** Select the **Reservation** option.
- 02** Choose the **Reservation Number** option.
 - a. Add your reservation or room number.

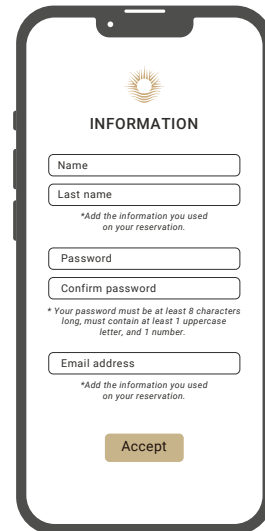

The image shows a smartphone screen with the 'RESERVATION INFORMATION' form. At the top is the Pueblo Bonito logo. Below it, the text 'Are you currently staying with us?' is followed by 'Yes' (with a selected radio button) and 'No' (with an unselected radio button). There is a dropdown menu showing 'Pueblo Bonito Resort'. Below that are two input fields: 'Last name' and 'Room or reservation number'. A small note below the input fields reads: '*Add the information you used on your reservation.' At the bottom is an 'ACCEPT' button.

- a. Hotel: Choose the resort where you are staying or have a reservation at.

Last name: Enter the last name used under the reservation.

FOLLOW THE STEPS BELOW TO REGISTER WITH A RESERVATION

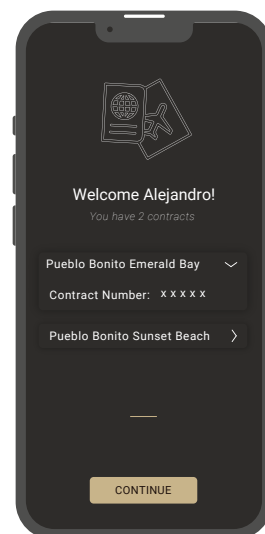

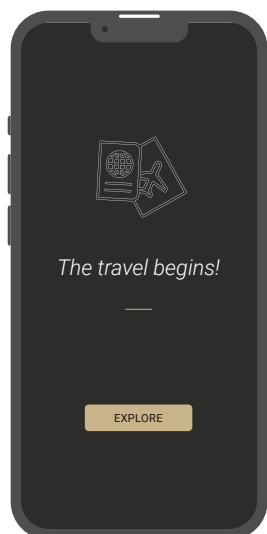

- 03** Complete the missing information or edit if necessary, create a password and tap **Accept**.
