

WEALTH OF WELLNESS AT PUEBLO BONITO RESORTS IN QUIVIRA LOS CABOS
Rejuvenation, Well Being at Center of Five-Day Wellness Immersion Package for 2024

Los Cabos, Mexico (October 25, 2023) – The Pueblo Bonito Golf & Spa Resorts, located within the luxury residential development Quivira Los Cabos at the tip of the Baja Peninsula, provide the ideal environment in which to rejuvenate body, mind, and spirit.

Featuring a dazzling desert-meets-sea setting, the 1,850-acre development has emerged as a natural paragon of wellness. While only 10 minutes from downtown Cabo San Lucas, the resort occupies a sheltered valley walled in by mountain ridges. The spectacular Land's End setting, coupled with feel-good programs and healthy dining options, is an enclave where guests and residents can renew themselves.

Pueblo Bonito Resorts' 'Wealth of Wellness' package—updated for 2024—integrates numerous wellness components available within the resort community—from stress-reducing spa treatments to exciting outdoor activities.

The award-winning Armonia Spas are an ideal starting point for wellness. Each of the spas at Pacifica, Sunset Beach, and Montecristo offers a serene respite from the stresses of daily life and a full menu of rejuvenating treatments. From luxury facials to holistic massage therapies, the treatments are designed to help guests achieve harmony and total relaxation. The skilled therapists here are among the region's best and, coupled with the tranquil environment, leave guests feeling rejuvenated. In addition, Armonia Spa Organic, a signature product line made with organic shea butter and essential oils such as argan and jojoba, greatly enhances the spa experience. Purchasing the products for use at home is a good way to extend Armonia Spa's sense of self-renewal and inner calm.

On its daily schedule of body-centric, life-enhancing activities, Quivira Los Cabos offers everything from yoga on the beach to classes in the resort's fitness centers. In addition, an extensive network of trails encourages healthy outings. Whether strolling, jogging or mountain biking, the trails enable residents and guests at all physical ability levels to flow with the Baja's natural sounds and scents—and connect with Nature, a source of joy and peace of mind.

Mountain bike tours are a fantastic way to negotiate the region's topsy-turvy desert terrain. In addition to guided nature walks, guests can hike or bike to the old lighthouse, a.k.a. *Faro Viejo*, which clings to a cliff high above the sea and dates to 1905. It's the oldest standing structure in Cabo San Lucas.

More laid-back options? Each of the pools at the resorts is spaced with comfortable lounges, perfect for reading, relaxing and sun-bathing. The 'Wealth of Wellness' package also includes the use of shaded beach cabanas in front of Pacifica. These cabanas feature personalized butler service and a full complement of food and beverage options, guaranteeing that guests can fully relax and get lulled by the sounds of the waves breaking on shore.

The ideal place to refuel from a hike or a swim is Perfect Balance within The Market at Quivira, a gastronomic food hall at Sunset Beach. This wellness bar offers a menu of healthy items made with high-quality, organic ingredients. Here you can take your pick of cold-pressed juices, wellness elixirs, smoothies, salads, and snacks.

Q Life, a lifestyle club created for residents at Quivira Los Cabos and available to resort guests, offers a synergistic approach to individual pursuits and group activities. With its comprehensive menu of programs, Q Life inspires residents and guests to seek new ways to enjoy a healthy lifestyle while developing friendships with those who share their interests.

Here's a value-added 'Wealth of Wellness' package component that's completely free—and very beneficial. The thunderous Pacific surf on the doorstep of the Sunset Beach and Pacifica resorts is a tremendous producer of negative ions. A walk on the resorts' glorious 2.5-mile stretch of pristine beach, with thousands of negative ions infusing the air, can produce a mild sense of euphoria, even a gentle mental release.

If a mild sense of euphoria is the capstone of wellness, the oceanfront setting at Quivira Los Cabos delivers 24/7.

Pueblo Bonito's exclusive, five-day 'Wealth of Wellness' package, available through December 2024, features:

- Four nights' accommodations for two adults
- All-inclusive food & beverages
- Two 50-minute organic massages or facials
