LOCAL RULES AND RECOMMENDATIONS

- The “Desert Rule” applies for all native areas, in which you can drop a ball from last turf crossing point, within 2-club-length range, with one stroke penalty. If you decide to play from where the ball is lying, you can ground the club and move loose impediments.
- Formal bunkers will be easily identified by the availability of rakes. All bunkers and sand areas without rakes at hand are, considered “waste area”; so you can ground the club and remove loose impediments, according to the official rules of the USGA.
- The comfort stations will slow pace of play, please consider players from behind.
- RESTROOMS LOCATED AT CLUBHOUSE, HOLE 6, HOLE 9/10, HOLE 17
- Rattle snakes, other dangerous animals and spiky plants, are part of the environment at Quivira Golf Club, that is why searching for balls and walking through the native areas, is **under player's responsibility**.
