SAN YSIDRO RANCH

FOR OVER A CENTURY, SAN YSIDRO RANCH HAS BEEN A SANCTUARY OF ELEGANCE AND TRANQUILITY NESTLED IN THE FOOTHILLS OF SANTA BARBARA. IT HAS WELCOMED DREAMERS, LUMINARIES, AND ROMANTICS FROM AROUND THE WORLD, CREATING A HAVEN WHERE CHERISHED MEMORIES AND LEGENDARY MOMENTS UNFOLD.

The Ranch boasts a luminous legacy of celebrated guests. Groucho Marx found solace here, Winston Churchill savored its tranquility, and Sinclair Lewis drew inspiration from its serene beauty. John Huston completed the screenplay for *The African Queen* while in residence. Laurence Olivier and Vivien Leigh exchanged intimate midnight wedding vows beneath the starry skies, and the grounds were touched by history when John and Jackie Kennedy began their Camelot honeymoon in the cottage that now bears their name. Each corner of the Ranch whispers stories of unforgettable moments, making it a sanctuary of legends.

As you explore this menu, we invite you to raise a glass
and create your own chapter in this legacy.

ABSINTHE FOUNTAIN

Step into the mystique of an era where absinthe was revered as the drink of poets, artists, and philosophers. The Absinthe Fountain, a true ritual of Parisian elegance, invites you to savor this iconic spirit in the most authentic way. With its delicate pour over caramelized sugar, balanced by a stream of ice-cold water, each sip unveils the complex flavors of this legendary libation.

La Fée Parisienne, France.....36

Based on the world's oldest known absinthe recipe, La Fée is masterfully crafted using stills dating back to 1833. The Parisienne was the very first French absinthe released when the ban was lifted and to this day is the only absinthe to be authenticated by Marie-Claude Delahaye, founder and curator of the Museum of Absinthe in the South of France.

Letherbee Oak Aged, Chicago.....40

This exquisitely aged absinthe draws its caramel hue from a six-month stint in charred American oak casks. A straightforward white absinthe recipe mellows in the aging process, softening the anise notes to let sumptuous floral and spice layers resonate. Besides the color, the full-sized barrels also imbue the Absinthe Brun with toasty hints of vanilla and caramel.

Pernod Supérieure, France.....54

Pernod Absinthe was created in 1805, in France's first absinthe distillery. After years of being banned, its recipe was re-launched in 2013 based on the original formula. It includes anise, grand wormwood, petit wormwood, hyssop, and melissa, which provides anise, musk and herbaceous tasting notes. Pernod Absinthe contains no artificial dyes or sugar with the ideal serve being the traditional ritual of ice water cascading over a sugar cube.

Tempus Fugit Vieux Pontarlier, France48

Vieux Pontarlier is craft-distilled in Pontarlier, France; the historic "Capital of Absinthe." Developed and made in one of the two last remaining absinthe distilleries still functioning in Pontarlier, using the distillery's original, pre-ban logbook notes, and antique alembic stills designed specifically for making absinthe.

MACALLAN 1824 SERIES

MACALLAN REFLECTION | (1oz) 220 / (2oz) 440

The Macallan Reflection represents the natural color and beauty of The Macallan – a true reflection of the foremost influence of first fill sherry seasoned oak casks. A deep red mahogany hue, taken directly from the cask, is beautifully enhanced by the angular facets of the carefully crafted decanter. The depth of color coupled with the complex flavor of Reflection; derive from the casks selected for this distinctive expression by The Macallan's Master Whisky Maker, Bob Dalgarno. Bold and full-bodied, Reflection is a celebration of floral and vanilla notes, punctuated with fresh apples and apricots.

MACALLAN RARE CASK | (1oz) 65 / (2oz) 130

Crafted to showcase complexity and depth, Rare Cask is drawn from the broadest spectrum of casks, 16 different types, ever identified by the Master Whisky Maker. Far less than 1% of those casks maturing at the distillery have been identified as fitting to bestow the Rare Cask name. With rarity at its core, this is whisky crafted from casks so rare they will never again be used in any Macallan whisky. Combining Spanish and American Sherry seasoned oak casks, a high proportion of them first fill, gives rise to an exquisite whisky with a splendidly rich hue, and an unmistakably woody whisky.
