

\$350 for 2 people; \$100 for each additional person (max 4 total)

Expeditions depart from Sierra Grande and last 5 hours (including travel time, additional \$50 per hour charge for extended time)

Ladder | 156,000 acres

Unique desert environment provides excellent hiking trails across canyons and streams. Our hikes vary in difficulty based on ability.

Bike along ridge crests and streams on our state-of-the-art, full suspension mountain or e-bikes. Various levels of difficulty depending on track.

Early risers have an excellent chance to spot bison, elk, javelinas, deer and more of Ladder's diverse wildlife, with prime photographic moments along the way.

Seize the "magic hour" when the New Mexico sun sets and encounter bison, elk, deer and more while experiencing the beauty of the Ranch.

Ladder is one of the finest birdwatching sanctuaries in North America, rich in native wildlife and biodiversity. Our expert birding guides are waiting for you!

Learn about the history and ancient cultures of the Southern New Mexico while experiencing spectacular scenic vistas and wildlife from our open-air vehicles.

Armendaris | 360,000 acres

The varying desert terrain provides excellent options for bikers of all levels of ability. A great way to explore the Armendaris on two wheels!

From canyons to caves, our hikes are designed for various levels of ability, all while providing picturesque views of both mountains and along the Rio Grande Valley.

Learn about the geological and human history of Armendaris while traveling through the Chihuahuan Desert habitat in an open-air vehicle. Great potential for wildlife encounters along the way.

Ride to the summit of the Fra Cristobal Mountain Range in our open-air vehicles to experience stunning 360-degree views of the region. Keep your eyes peeled for desert bighorn sheep and other exciting wildlife!

Premium Expeditions

\$500 for 2 people; \$100 for each additional person (max 4 total) Additional \$50 per hour charge for extended touring time.

Experience a wonder of nature and witness 1.6 million Mexican free-tailed bats take their nightly flight to forage along the Rio Grande.
