## STAY WITH PURPOSE

As a property owned by the Pulte Family Charitable Foundation, every stay directly supports efforts to build a stronger, more vibrant year-round community.

That means creating full-time employment opportunities, supporting local families, and ensuring essential services such as the island's school which will be able to thrive for generations to come.

We've also reimagined what employee housing can look like on Mackinac Island, setting a new standard through extensive renovations and thoughtful new construction. Our team members live in some of the best accommodations available on the island. And our mission reaches even further. By welcoming asylum seekers onto our team, we're proud to offer a safe, supportive place for new Americans to begin their journey. Your stay helps open doors to education, opportunity, and a brighter future for individuals, families, and the island community as a whole and through our give back efforts worldwide.

# Transportation

## ◆ FLYING IN

Many guests enjoy flying directly to Mackinac Island Airport. This is a small 3,500-foot lighted, paved runway capable of accommodating private and charter aircraft. Some guests fly to the larger airports and transfer to North Country Aviation or Fresh Air Aviation, operating out of St. Ignace.

Pellston Regional Airport (PLN) and Chippewa County International Airport (CIU) are the two closest commercial airports and are both 35 minutes from the ferry docks. Some guests find it more convenient to travel from Cherry Capital Airport (TVC), located about 2.5 hours south in Traverse City.

## ◆ FROM THE FERRY

Park your car at the Shepler ferry dock in either Mackinaw City (south of the bridge) or St. Ignace (north of the bridge) and take a 16–18 minute ferry ride across the Straits of Mackinac. The ferry boats operate frequently throughout the day from May through the end of October. Parking options at the ferry dock depend on location. Luggage transfer is simple and convenient, with assistance on both the mainland and Mackinac Island. Please allow up to three hours for luggage transfer.

## ◆ PARKING

As you may know, cars are not allowed on the island. Ample parking is available at all mainland ferry docks. Rates depend on the company and parking location.

## ◆ TRANSPORTATION TO STONECLIFFE

Once you arrive on the island, enjoy our exclusive Stonecliffe horse-drawn carriage ride which operates through the Mackinac Island Taxi Company on a fixed route from downtown to The Inn at Stonecliffe.
