2025 Festive Program

THE
LANDINGS
Resort and Spa

Seasons *Greetings*

It is my absolute pleasure to welcome you to The Landings Resort and Spa as we embrace another magical festive season on our beautiful island of Saint Lucia. This time of year holds a special place in our hearts, as it brings together cherished traditions, new experiences and the joy of connection that defines who we are.

Each December, we are delighted to welcome back familiar faces who have become part of The Landings family, as well as those joining us for the very first time. Whether you are here to unwind by our calm Caribbean waters, savour our culinary delights or celebrate with loved ones, our team is dedicated to ensuring your stay is as memorable and meaningful as the season itself.

This year's Festive Programme embodies the spirit of The Landings; a celebration of togetherness, warmth and authentic island hospitality. From elegant dining experiences and live entertainment to family fun and island adventures, every moment has been thoughtfully curated to create lasting memories.

On behalf of our entire team, I extend heartfelt gratitude for your decision to share this special time with us. May your time here be filled with comfort, celebration and lasting memories.

Anderson Howard

Managing Director
The Landings Resort and Spa

An Illuminated Tradition

Each December, we gather beneath the glow of the lobby's grand tree, a moment our returning guests know well, and one we look forward to sharing with first-time guests. Flutes of champagne in hand, little ones wide-eyed with anticipation, we pause together, not just to light a tree, but to welcome the season as one Landings family.

This year, we invite you once more to join us for an evening of sparkling celebration. We'll share a few warm words, reflect on the memories made, and hint at the surprises yet to unfold, before inviting one of our youngest guests to lead the countdown.

And with one joyful cheer, the lights rise, the music swells, and Christmas officially begins at The Landings Resort and Spa.
